Beloved Kuthumi's Report on the Transmission Flame - Part 3

As the seven colors pass into the body of the Maha Chohan they are in turn drawn into the bodies of the seven Chohans, each One magnetizing His own Ray. Now, if you will look you will see that each Chohan diffuses His Ray and directs it out through the angelic, human and elemental kingdoms. For instance, in the First Ray, the most intense, purest and deepest sapphire passing into the Angelic Kingdom, the delicate hues - the baby blues, and the powder blue going into the elemental kingdom, and the medium or center of these two colors flowing into the human kingdom. It is an easy matter to pick out chelas by the depth of the concentrated Ray; each chela magnetizing the Ray from the Chohan under whose direction he comes.

All around the world, even as I am speaking, in the Sanctuaries, groups and homes, the conscious chelas are magnetizing the Ray, each from his own Chohan, so that the diffusion of colors is very intricate in its design. As these Rays pass into the chelas, they in turn diffuse the Rays again, some consciously and others unconsciously, until the atmosphere around them is suffused with the various colors. The Silent Watchers of the various vicinities gather up these colors in the atmosphere and anchor them into the mass of the people until every soul in embodiment gets a part of the Ray to which he belongs - and embodied in the Ray is the Gift which it represents.

The Angelic Kingdom follows the same procedure, but the angels, rather than diffusing the radiation as the human kingdom does, intensify it. The elemental also takes its portion of that color - say of the powder blue - and holds it until, by a concentration of his faith, he brings it up again into the deep sapphire blue. The Devic, the Angelic and the Elemental Kingdoms, for the most part, intensify the colors.

Mankind as a whole think very little of the life they use, but this Being who has magnetized the light and passed it down to us has given us the responsibility of choosing the lifestreams who can best amplify it. We, in turn, pass that life on to you hoping that you will amplify it in good. You, in turn, give it to someone that you can see will benefit by it and so on and on ad infinitum. Then, on the return current, the responsibility passes back. What the various chelas do with the light and to whom they give it, they are responsible to their Chohans who gave it to them in the first place. What the Chohans do with the light, they are responsible for to the Maha Chohan. What the Maha Chohan does with the life He has drawn, He is responsible for to the Sun. Therefore He is most careful of the conscious energies that are given in dictations and in the conveying of confidences to individuals who might be just playing with the Law.

Now, we come to the heart of this Earth. From the Sun flows this magnificent stream of energy. I have never seen a more concentrated outpouring of that Cosmic rainbow into the heart of the Maha Chohan than tonight. The seven great Elohim and the seven great Archangels are standing over Asia and pouring Their Radiation into that continent

which is spreading out until it covers the planet. The Archangels are concentrating on India. The Maha Chohan is responsible for all that energy poured out by those Mighty Beings. It passes into His consciousness and the greater the pressure from the Beings above, the more control He has to hold as He embodies it. He then releases it to each one of the Chohans, and each one of Us is taxed to His full capacity this night.

At the moment the Transmission Flame activity begins, each Chohan enters into the heart of His own Lotus-lily and will press the momentum of His Gift to every member of the race belonging to His Ray. We have opened the door tonight so that the discarnates and those awaiting physical birth may be similarly blessed. The Beloved Dywal Kul, acting for Me, standing with the Maha Chohan, is rendering the Service, as He always does, as Sponsor for the Retreat, and He has welcomed the guests since the 15th of the month. He has been acting for Me until I can enter the Flame Myself. Now, I will ask you all to enter the Heart of the Silence and draw into yourselves the seven Gifts of the Holy Spirit from the Heart of the Maha Chohan.

Thank you and God bless you.

KUTHUMI

Beloved Ones:

Holy men and women whose motives were pure and who aspired, through the feeling of their own hearts, to union with Divinity, have often been pictured as surrounded by Cherubic and Angelic Beings who poured the gifts and radiance of their Presence into the soul of the aspirant, bringing that spiritual nourishment and assuaging the heart thirst for the Higher Realms toward which they aspired. You have all seen I am sure, the picturization of Saint Cecelia whose music was said, and truly, to have drawn, not only the recognition, but the pleasure of the Angelic Host.

In the lower realms that make up the atmosphere of Earth, there are many members of the Angelic Host, of the Seraphic and Cherubic Guard, who have voluntarily entered into this unseen realm of thought and feeling, and minister, by radiation, to the heart Flame of both incarnate and discarnate souls. These heavenly beings always welcome the aura and radiation of lifestreams whose own heart Flame is aspiring toward a greater expression of oneness with God and a greater expansion of God's Kingdom - although the outer mind is oftimes unaware of the ways and means by which such accomplishment can be affected.

The coming Age of Freedom will bring a tremendous at-one-ment between sensitive Earth spirits
